Snow Removal

The Town of Brookeville contracts with a snow plowing service for North, South, Water, the eastern portion of Market and the paved section of Church Streets. During a snowstorm, no plowing begins until an accumulation of 4 inches of snow has fallen on the streets. The Maryland State Highway Administration clears Georgia Avenue (Maryland Route 97) - the Town's High Street and western Market Street.

Those residents and businesses with abutting sidewalks are responsible for clearing their sidewalks, driveways and entrances within 24 hours of the end of a snowstorm. All residents are strongly encouraged to be good neighbors by clearing the sidewalks in front of their homes, as well as assisting those who may not be physically able to do so.

STREET LIGHTS

If you notice a Pepco street light that is out, please look for a metal strip on the wooden pole that has the pole number and report the location of the street light to the Town Clerk. If the wooden pole does not have a pole number, please report the location of the street light. If you would like to report a Pepco street light outage: 24-Hour Outage Report Line - 1-877-PEPCO-62 (1-877-737-2662) or

<https://www.pepco.com/home/requests/outage/streetlight/outagereport/default.aspx>

The Town also operates several cast iron ornamental street lights and 3 wooden ornamental street lights. These ornamental street lights do not have pole numbers. If you notice an ornamental street light that is out, please report the location to the Town Clerk.

From Debbie Wagner

Hi neighbors!

Pick D&D picking for all your fresh fruit/vegetable needs! Closing November 6. Available (limited quantities) are broccoli, cauliflower, kale, Swiss chard, beets. There are some varieties of apples, fewer this year due to the dryness during pollination season. Spinach is mostly picked, but we might be able to find you some. 301.774.2509
